Subject: COMPUTERISATION OF VARIOUS ACTIVITIES OF PNGRB

Dear Sir,

In continuation of PNGRB's earlier communication dated 13May 2008, on the above mentioned subject. PNGRB has decided that "SAP Netweaver" shall also be considered as one of the options within the category of "Development Platform> Web Server" within Section 16.2 (F) of the tender document, alongside other technologies.

Once again, bidders are advised to quote strictly as per the terms and conditions of the tender document and not to stipulate any deviations/exceptions. Once quoted, the bidder shall not make price changes after due date and time submission of the bid, even if any deviation or exception may be specifically stated in the bid. Price changes through any other mode also shall render the offer liable for rejection. PNGRB reserves the right to accept or reject any or all bids received at its absolute discretion without assigning any reason whatsoever.

All other conditions/eligibility criteria of the tender remain the same.

This is issued with the approval of Chairman, PNGRB.

(R K Samtani)
Officer on Special Duty
