

PETROLEUM AND NATURAL GAS REGULATORY BOARD

1st Floor, World Trade Centre, Babar Road, New Delhi - 110 001

Public Notice

PNGRB issues draft Regulations relating to 'Access Code for Natural Gas Transmission Pipelines and CGD Networks' and 'Guiding Principles and Objectives for Declaring Natural Gas Pipelines and CGD Networks as Common or Contract Carriers'

The Petroleum and Natural Gas Regulatory Board (PNGRB) has issued draft regulations relating to (i) Access Code for Natural Gas Transmission Pipelines and CGD Networks and (ii) Guiding Principles and Objectives for Declaring Natural Gas Pipelines and CGD Networks as Common or Contract Carriers. These draft regulations have been posted at the website of EIL viz., www.engineersindia.com on 31.12.2007. All stakeholders, entities, bodies, persons, experts etc. are requested to give their comments/views, if any, on the provisions contained therein upto **31.1.08** so that the regulations could be finalized considering these comments.

2. Based on the requests received, PNGRB has decided to extend the time for sending comments/views on the draft regulations for authorizing entities for developing natural gas pipelines, determination of pipeline tariff for natural gas pipelines and affiliate code of conduct for entities upto **31.1.08**.

3. In the light of the draft regulations relating to Access Code, all stakeholders, entities, bodies, persons, experts etc., irrespective of whether submitted their comments/views or not on the draft regulations for development of CGD networks by the last date of 21.12.07, may also send further comments/views, if any, upto **31.1.08**.

4. The comments and views may be sent to EIL who have been authorized to receive and compile the information on behalf of the Board. The e-mail id is pngrb@eil.co.in and the postal address is - Dr. Ved Prakash, Asstt. General Manager (ITS), Engineers India Limited, EIL Bhavan, Bhikaji Cama Place, R.K. Puram, New Delhi - 110 066
