Subject: Laying building, operating or expanding Hazaribagh – Ranchi NGPL (HRPL)

Sir,

This is with reference to IOCL's letter dated 08.07.2024 on the above subject wherein IOCL has requested to allow rerouting of the pipeline due to change in location of GGS resulting in increase of pipeline length to 68 km in place of authorized length of 65 km. Authorization of HRPL was granted to IOCL for a length of 65 Km from GGS-2, North Karanpura CBM Block, Hazaribagh, Jharkhand to SV-3 of Jagdishpur - Haldia - Bokaro - Dhamra Natural Gas Pipeline at Kulhi Village, Jharkhand.

2. Since the increase in the pipeline length is within the limit of deviation provided under Regulation 13 of PNGRB NGPL Authorization Regulations, as submitted by IOCL, PNGRB has no objection in IOCL acquiring RoU for the increased pipeline length up to 68 km, provided that the relocated starting point remains the same as GGS-2 of North Karanpura CBM Block, Hazaribagh, Jharkhand.
3. IOCL is directed to immediately share the GIS Map and other relevant details to PNGRB upon physical completion of HRPL.

Yours faithfully

Vandana Sharma.
