Subject: Capacity augmentation of Dahej-Uran-Dabhol-Panvel Natural Gas Pipeline (DUPL-DPPL)

Sir,

This has reference to your proposal vide letter no. GAIL/PD-PL/DUPL-DPPL-EXP/2023/3649 dated 27.12.2023 and subsequent communications vide letters dated 12.03.2024 and 19.04.2024 for capacity augmentation of Dahej-Uran-Dabhol-Panvel Natural Gas Pipeline (DUPL-DPPL) due to expansion of KLL's Dabhol LNG terminal from existing 5 MMTPA to 6.3 MMTPA (as informed by the GAIL).

2. The Board has approved GAIL's proposal for capacity augmentation of DUPL-DPPL from its existing capacity of 19.9 MMSCMD to 22.5 MMSCMD under Regulation 12(2) of the NGPL Authorization regulations as below: -

i. Laying loopline of 30"x105 km between Dabhol and SV-03 Nisampur of DPPL without considering the compressor facility at Hazira.
ii. Limiting the capex of the said project at Rs. 760 crore (as informed by the GAIL)

3. Accordingly, clause no. 1 of Final terms and Conditions of Acceptance issued vide letter no. Infra/PL/PL/Exis/ 17/DUPLDPPL/GAIL/01/10 dated 10.05.2010 to GAIL stands amended as under:

The capacity of **Dahej-Uran-Panvel-Dabhol** natural gas pipeline shall be ~22.5 MMSCMD* with total length of pipeline as 920 km with loopline of 30"x105 km, after subject expansion of ~2.5 MMSCMD in synchronization with subsequent expansion of Dabhol LNG terminal.

Note: (*- This capacity is accepted as provisional and the final capacity shall be determined as per the regulation on capacity determination for natural gas pipeline as notified by the Board).

4. The project completion schedule of the above expansion of DUPL-DPPL network is 3 years from the date of this communication.

5. All terms and conditions of the authorization shall remain same as per Final Terms and Conditions issued to GAIL for Acceptance of Central Government Authorization vide letter no. Infra/PL/PL/Exis/17/DUPLDPPL/GAIL/01/10 dated 10.05.2010 and its subsequent amendments communicated, thereof.

6. It may be noted that although Dhabol terminal is connected via Dhabol- Bangalore pipeline also, however the present utilization of Dhabol- Bangalore pipeline is very low. Accordingly, GAIL is also instructed to expedite the connectivity of balance spur line of Dabhol- Bangalore Pipeline as per the Authorisation letter of DBPL.

This issues with the approval of the Board.

Yours faithfully

(Anjan Kumar Mishra)
Secretary
