**Subject: Amendment in Terms and Conditions for laying Tie-in connectivity from GSPL's proposed Terminal at Petronet LNG Limited (PLL)'s re-gasification expansion facilities, Dahej to GSPL's Existing Terminal at Bhadbhut with injection point in Dahej-Amboli section of High-Pressure Gujarat Gas Grid**

Sir,

This has reference to the PNGRB authorization letter dated 17.09.2019 issued to GSPL for development of tie-in connectivity from PLL's re-gasification facilities at Dahej to GSPL's terminal at Bhadbhut and the following subsequent proposals / applications of GSPL:

- (i) **Replacement proposal:** GSPL letter dated 28.01.2021 to implement Dahej- Bhadbhut pipeline of 39 km x 30" as replacement pipeline to existing 39 km x 24" pipeline.
- (ii) **Surrender proposal:** GSPL letter dated 02.03.2021 to surrender the authorization granted to them for development of Tie-in connectivity from PLL's expansion facilities at Dahej to GSPL's existing terminal at Bhadbhut.
- (iii) **Replacement and Surrender proposal:** GSPL letter dated 17.03.2022 submitted a detailed proposal for surrender of 36" tie-in connectivity and replacement of existing 24" Dahej Bhadbhut section with larger 30" pipeline.
- (iv) **Amendment proposal:** GSPL letters dated 26.05.2023 and 23.01.2024 to lay a 30" X 36 kms tie in connectivity from PLL Dahej facilities to Bhadbhut Terminal of GSPL instead of earlier authorized 36" x 39 kms.

2. Furthermore, GSPL vide application dated 09.04.2024 has conveyed that they wish to continue with the original authorization granted to them to lay a 36" diameter Dahej - Bhadbhut tie-in connectivity. In this regard, it is informed that the Board has accepted GSPL's request for withdrawal of all previous proposals mentioned above and to continue the implementation of the project with the original authorization for the subject tie-in connectivity with the same diameter of 36 inch and revised length of 36 km.

3. The Board also expresses its displeasure at GSPL's frequent changing stances leading to inordinate delays in the completion of Dahej - Bhadbhut tie-in connectivity. However, taking a considerate view, the Board has decided to grant extension of completion schedule for development of Dahej - Bhadbhut tie-in connectivity up to May 2026. This grant of extension of completion schedule is subject to the following condition:

*"The Dahej - Bhadbhut tie-in connectivity shall be an integral part of GSPL's High Pressure Gujarat Gas Grid Network. Hence, any default in meeting the timeline target for commissioning of Dahej - Bhadbhut tie-in connectivity may be considered a default on behalf of GSPL's High Pressure Gujarat Gas Grid. Accordingly, penal provisions under the PNGRB Act and the Regulations framed thereunder shall be applicable and PNGRB may take necessary action."*

4. All other Terms and Conditions shall remain same as per PNGRB's letter No. Infra/NGPL/128/Tie-in/PLL-GSPL/08/17 dated 17.09.2019 and subsequent amendment issued in this regard, if any.

**Yours faithfully**

**(Vandana Sharma)**

**Secretary**
