Gujarat Gas Limited,
(Kind Attn: Shri PPG Sarma, Chief Executive Officer)
Block No 15, 3rd Floor,
Udyog Bhavan, Sector-11,
Ghandhinagar-382 010,

Subject: Proceedings w.r.t intimation of approval of the scheme of Amalgamation by the Hon'ble High Court of Gujarat and subsequent certificate of change of name issued by Registrar of Companies (RoC).

Sir,

Reference is made to Gujarat Gas Limited's (GGL) letter No. Gujarat Gas/Reg/HO/EC/2015-16/001 Dated 20th May, 2015 and all communications with the Board in this regard till date, it is conveyed that Board has carefully considered GGL's submission as made vide letter No.REG\PNGRB\GR2\2015 \ 046 Dated 30th November, 2015 and is not fully satisfied. However, keeping in view that this being GGL's first instance, Board is taking a lenient view without creating any precedence. It is seen that even after Hon'ble High Court of Gujarat order directing GGL to keep the regulator in the loop, GGL did not keep the regulator suffiently or adequately informed and in good time and thus could have attracted displeasure of the Hon'ble High Court.

(ii) GGL is being advised that no incidences of disobedience of either the orders of the Board and /or not following any regulations should come before the Board, if it does then the Board would be left with no alternative but to take a serious view of the matter.

(iii) Accordingly, Board hereby accepts the Scheme of Amalgamation wherein GSPC Gas Company Limited (GSPC Gas), Gujarat Gas Company Limited (GGCL), Gujarat Gas Financial Services Limited (GGFSL) and Gujarat Gas Trading Company Limited (GTCL) **("Transferor Companies")** amalgamates into GSPC Distribution Network Limited (GDNL) **("Transferee Company")**. GDNL subsequently changes the name to Gujarat Gas Limited, which was accepted by Registrar of Companies on 15.05.2015. Consequently, all the authorizations issued by PNGRB for CGD networks and natural gas

pipeline to GSPC Gas and GGCL are being changed to Gujarat Gas Limited. The Terms and Conditions of the aforesaid authorizations remains the same. The details of the same are at Annex-I. This letter should be read in conjunction with respective authorization as stated in Annex-I.

Yours sincerely,

Encl: As Above
