of Pipeline Infrastructure Private Limited (PIPL) to Pipeline Infrastructure Limited (PIL) for transfer of acceptance of Central Government Authorization of East West Pipeline (EWP).

2. To substantiate your claim for transfer of the above acceptance, you have furnished the sanction orders of NCLTs Mumbai and Ahmedabad on the Scheme of Arrangement for transfer of pipeline business along with associated assets and liabilities as going concern from EWPL to PIL from 1st July, 2018, being the Appointed Date.
3. Further on the basis of confirmation submitted by PIL for compliance of the conditions communicated to EWPL by PNGRB's Letter No. Infra/NGPL/144/EWPL/PIL/18, dated 27.09.2018 (attached as Annexure-I) on renunciation of the above assets to PIL, Petroleum and Natural gas Regulatory Board has approved the transfer of its acceptance for Central Government Authorization in favour of Pipeline Infrastructure Limited (PIL) from East West Pipeline Limited (EWPL) for laying, building, operating or expanding East West Pipeline (EWP).
4. All previous terms and conditions will remain same as per Acceptance Letter issued to East West Pipeline Limited (erstwhile Reliance Gas Transportation Infrastructure Limited) vide Letter No. Infra/PL/Exis/17/EWPL/RGTIL/01/13, dated 19.03.2013 (attached as Annexure-II), which shall be applicable during the construction as well as operative phase of the said pipeline system.
5. Apart from the above, following additional Terms & Conditions will also be applicable during the construction as well as operative phase of the said pipeline system:
 - (i) Renunciation will not adversely affect the existing or proposed activities of laying, building, operating or expansion of East West Pipeline and its associated facilities.
 - (ii) Pipeline Infrastructure Limited will abide by the existing or modified terms and conditions of the authorization including compliance with the service obligations for the activities of laying, building, operating or expanding the natural gas pipeline.

(iii) Sale of assets to Pipeline Infrastructure Limited should not result in change in the value of assets which consequently results in adverse tariff for the existing customers of the pipeline presently known as East West Pipeline. The gross fixed assets shall be equal to their actual historical cost of acquisition (including the cost of a subsequent replacement or improvement or modification) or that normatively assessed by the Board, whichever is less and required in the natural gas pipeline project for its economic life based on principles to create and sustain an efficient infrastructure.

6. You are requested to confirm your acceptance in the space provided below and return the same in original.

Yours Faithfully,

Arvind Kumar

Subject: Proposal for renunciation by East West Pipelines Limited of authorization granted for East West Pipelines in favour of Pipelines Infrastructure Private Limited (PIL)

Sir

This has reference to the above-mentioned proposal for the renunciation of authorization in respect of East West Pipeline and its associated facilities by

- (i) Sale of all EWPL and related pipelines assets on 'as is where is' basis to Pipelines Infrastructure Private Limited.
- (ii) Novation of all existing gas transportation agreements with shippers, tie-in agreement with interconnecting entities and other relevant O&M contract in favour of PIL.
- (iii) Transfer of key management personnel who are currently operating EWPL to PIL.
- (iv) Transfer of all other O&M as well as business teams management to manage all the activities related to pipeline transportation business.

2. In this regard, I am directed to inform that East West Pipelines Limited (erstwhile Reliance Gas Transmission Infrastructure Limited) may renunciate the above-mentioned assets in favour of Pipelines Infrastructure Private Limited (PIL) as per regulation 9(4) of the PNGRB (Authorising entities to lay, Build, Operate or Expand Natural Gas Pipelines), Regulations, 2008 subject to fulfilment of following conditions:

- (i) Renunciation will not adversely affect the existing or proposed activities of laying, building, operating or expansion of East West Pipeline and its associated facilities.

27

- WS
- (ii) Pipeline Infrastructure Private Limited will be abide by the existing or modified terms and conditions of the authorization including compliance with the service obligations for the activities of laying, building, operating or expanding the natural gas pipeline
- (iii) Sale of assets to Pipeline Infrastructure Private Limited should not result in change in the value of assets which consequently results in adverse tariff for the existing customers of the pipeline presently known as East West Pipeline. The gross fixed assets shall be equal to their actual historical cost of acquisition (including the cost of a subsequent replacement or improvement or modification) or that normatively assessed by the Board, whichever is lesser and required in the natural gas pipeline project its economic life based on the principles to create and sustain an efficient infrastructure.
- (iv) Pipeline Infrastructure Private Limited shall request PNGRB for change of Authorization of East West Pipeline in their favour after transfer of assets. The Board after satisfying, shall either accept the proposal in full or with such modifications as it may deem fit.

Yours faithfully,

27/9/2018

Subject: Final terms and conditions for Acceptance of Central Government Authorization for laying, building, operating or expanding East-West (EWPL) natural gas pipeline network as common carrier pipeline network under Regulation 17(1) of the Petroleum and Natural Gas Regulatory Board (Authorizing Entities to Lay, Build, Operate or Expand Natural Gas Pipelines) Regulations, 2008.

Sir,

With reference to the provisional terms and conditions for acceptance of Central Government authorization for laying, building, operating or expanding Kakinada- Hyderabad- Uran- Ahmedabad natural gas pipeline network (EWPL) as common carrier pipeline network issued vide letter No. Infra/PL/Exis/17/EWPL/RGTIL/01/10 dated 19.04.2010 and the subsequent communications in this regard, the Petroleum and Natural Gas Regulatory Board finally accepts the information submitted by you under Regulation 17(1) of the Petroleum and Natural Gas Regulatory Board (Authorizing Entities to Lay, Build, Operate or Expand Natural Gas Pipelines) Regulations, 2008. Further on the basis of the submissions made, the following terms and conditions have been finalised by the Petroleum and Natural Gas Regulatory Board which shall be applicable during the operative phase of the said common carrier pipeline system, which was commissioned on 10.12.2008:

1. The maximum achievable capacity of EWPL of approx. 1460 KM length and diameter ranging from 8 inches to 48 inches under steady state conditions is

equal to 85 MMSCMD (section-wise details enclosed as Annex-1) as determined under the provisions of the PNGRB (Determining Capacity of Petroleum, Petroleum Products and Natural Gas Pipeline) Regulations, 2010. The common carrier capacity would thus be 21.25 MMSCMD.

2. The authorized entity shall be required to take prior approval from the Board for creation of any lien or charge or hypothecation on the assets of the pipeline to secure finances for the project and furnish details of utilization of funds. However, in case of raising funds from any financial institution or bank, the entity will be required to only inform the Board of the sanction of the funds, within a period of seven days.
3. The entity shall publish on its website the approved tariffs and other details as required under various regulations for the natural gas pipeline.
4. In case the authorization of the entity is suspended or terminated, the Board may assign the rights and obligations to operate the pipeline to any agency or another entity on such terms and conditions, as it may deem fit. Further, the entity may be required, as per the directions of the Board, to continue the operations of the natural gas pipeline at the same level till another agency or entity appointed by the Board takes over the full control of the natural gas pipeline.
5. The entity shall comply with the provisions under-
 - a. the Petroleum and Natural Gas Regulatory Board (Authorizing Entities to Lay, Build, Operate or Expand Natural Gas Pipelines) Regulations, 2008;
 - b. the Petroleum and Natural Gas Regulatory Board (Determination of Natural Gas Pipeline Tariff) Regulations, 2008;

Reference:

- (i) Your application vide Letter no. NIL dated 05.12.2008 seeking acceptance of Central Government authorization for Kakinada-Hyderabad-Uran-Ahmedabad (EWPL) pipeline

Sir,

- In response to your application referred to above for acceptance of Central Government Authorization for laying, building, operating or expanding **Kakinada-Hyderabad-Uran-Ahmedabad (EWPL)** natural gas pipeline and other documents furnished like notifications issued by the Central Government under PMP Act, 1962 for acquiring ROU for the subject pipeline, MOP&NG's letter no. L-16021/2/10-GP.I dated 22.03.2010, copy of Expression of Interest (EOI) published by MOP&NG for capacity booking etc. to substantiate your claim for authorization from the Central Government for the said pipeline project which has already been completed and is commissioned in April, 2009, the Petroleum and Natural Gas Regulatory Board accepts provisionally the information submitted by you under regulation 17(1) of the Petroleum and Natural Gas Regulatory Board (Authorizing Entities to Lay, Build, Operate or Expand Natural Gas pipelines) Regulations, 2008. This shall be confirmed whenever the Performance Bank Guarantee as detailed in this letter is furnished by RGITL. Further on the basis of the submissions made, the following terms and conditions have been finalised by the Petroleum and Natural Gas Regulatory Board which shall be applicable during the operative phase of the said pipeline.
- As per the information furnished by RGITL in Schedule-H of the PNGRB regulations, the capacity of **Kakinada-Hyderabad-Uran-Ahmedabad** natural gas pipeline,
