Subject: Clarification sought by GIGL regarding applicability of tariff in MBPL for spur line beyond 50 km

Sir,

This has reference to your letter no. GIGL/COMM/2020, dated 23.01.2020, regarding clarification sought by GIGL on applicability of tariff for spur lines beyond the tariff corridor for Mehsana Bhatinda natural gas pipeline (MBPL).

2. In this regard, it is clarified that the pre-bid clarification issued by PNGRB at the time of bidding process of MBPL, vide its letter dated 01.04.2010 with respect to applicability of tariff for spur lines of length beyond the tariff corridor shall be applicable to those spur lines which were the part of ACBD issued for the bidding of MBPL and mandatorily to be laid by the authorized entity.

Apart from the spur lines which were part of ACBD for MBPL, the above clarification will also apply to the additional spur lines for which the authorized entity themself had desired to lay in future and had mentioned them in their feasibility report at the time of bid submission for MBPL.

3. However, for any new spur line, proposed other than the spur lines mentioned in the feasibility report submitted by the authorized entity at the time of the above-mentioned bid submission, it shall be dealt as per prevailing regulation 21(3) of NGPL Authorization Regulations for spur lines if proposed after notification dated 08.08.2014.

Yours faithfully,

K Kittappa 01/9/2020

(K Kittappa)
Joint. Adviser
