signatory to the Application cum Bid shall be furnished. Documents/details as required in the bid must be furnished by each partner member of the consortium/joint venture complete in all respects along with the bid offer. Each of the qualifying criteria must be singularly met by any of the JV partner except for the net worth, which could be met jointly by the partners and/or parent company in case of the subsidiary/existing JV. Only supporting document of concerned entity on the basis of which qualification is sought needs to be submitted. Liability to comply with the obligations and terms and conditions of the bid and authorization for the successful bidder shall be assumed to be that of the lead partner unless specifically approved by the Board otherwise. The bank guarantee for bid bond can be submitted by any of the partner submitting the BG holding itself jointly and severally liable for any default of the Consortium which may lead to encashment of the Bank Guarantee.

g) In case of bidding by a wholly owned subsidiary, each qualifying criteria has to be met by the entity or the parent company and documents/details furnished accordingly. In this case the bank guarantee for bid bond is to be furnished by the subsidiary.
h) Documentary evidence for compliance to each of the eligibility criteria must be enclosed along with the bid together with the references as required in the **Annexure-2.** Relevant portions, in the documents submitted in pursuance of eligibility criterion mentioned above, shall be highlighted.
i) If the bid is not accompanied by all the above mentioned documents, the same would be rejected. In case the bidder submitting the bid does not fulfill the requirements of any criteria as indicated above, the bid submitted is liable to be rejected and a communication in this regard shall be sent and the financial bid shall not be opened for that bidder.
j) Undertaking for subsequent submission of any document will not be entertained under any circumstances. However, PNGRB reserves the right to seek fresh set of documents or seek clarifications on the already submitted documents.

7.0 **Period of Validity of Bids**

7.1 Bids shall remain valid for 120 days from the date of bid opening prescribed by the PNGRB. A bid valid for a shorter period is liable to be rejected by the PNGRB.

8.0 **Terms and Conditions of Bidder**

8.1 No additional terms and conditions of the Bidders will be considered as forming part of their bids. The bidders shall confirm the same as per **Annexure -4.**

8.2 The bidder shall meet all criteria specified in the relevant regulations for authorization of the work.

9.0 Application fee and BID BOND

9.1 Bidder shall furnish non-refundable application fee by Demand Draft or Pay Order of value as mentioned in 'Invitation for Application-cum-Bid', in favour of Petroleum and Natural Gas Regulatory Board payable at New Delhi only, issued by any Nationalized / Scheduled Indian banks (except Cooperative & Gramin Bank) or any branch of Foreign Bank in India. However, in case the bidder has already paid the application fee at the time of submission of Expression of Interest (EOI), the

SAMPLE

bidder shall not be required to pay the application fee, unless there is a requirement to pay additional application fee as required under relevant regulation.

9.2 The Application-cum-Bid without application fee shall be summarily rejected. The application fee has to be submitted in Envelope I of the Application-cum-Bid.

9.3 Bidder shall furnish a bid bond by Demand Draft or Pay Order or Bank Guarantee (as per **Annexure 11**) of value as mentioned in 'Invitation for Application-cum-Bid', favouring Petroleum and Natural Gas Regulatory Board payable at New Delhi issued by any Nationalized / Scheduled Indian banks (except Cooperative & Gramin Bank) or any branch of Foreign Bank in India. The Application-cum-Bid without bid bond shall be summarily rejected. Bid bond must indicate the Application cum Bid Document number for which the bidder is quoting. This is essential to have proper co-relation at a later date.

9.4 The Bid Bond, without any interest accrued will be refunded:

a) In the case of those bidders who fail to qualify the eligibility criteria, and whose technical bids do not qualify, the Bid Bond will be refunded without any interest accrued within two months (60 days) of the acceptance and authorization of Application cum Bid by PNGRB.
b) In the case of those Bidders who do not qualify due to any other reason, the Bid Bond will be refunded without any interest accrued within two month (60 days) of the acceptance and authorization of Application cum Bid by PNGRB.
c) In case of successful bidder accepting the authorization and furnishing the Performance Bank Guarantee.

9.5 The Bid bond shall be forfeited:

a) If a bidder withdraws his bid during the period of bid validity.
b) in the case of a successful bidder, if the bidder fails:
    I. to accept the letter of intent (LOI)/letter of authorization or
    II. to furnish Performance Guarantee or
    III. to accept correction of errors or
    IV. If a bidder submits forged documents

9.7 PNGRB shall not be liable to pay any bank charges, commission or interest etc., on the amount of bid bond.

SECTION II: SCOPE OF WORK

17.0 Scope of Work

17.1 General:

17.1.1 Petroleum & Natural Gas Regulatory Board (PNGRB) was constituted under "The Petroleum & Natural Gas Regulatory Board Act, 2006". The objective of the Board is to regulate the refining, processing, storage, transportation, distribution, marketing and sale of Petroleum, Petroleum Products and Natural Gas excluding production of crude oil and natural gas, so as to protect the interest of consumers and entities engaged in specific activities related to Petroleum, Petroleum Products and Natural Gas and to ensure uninterrupted and adequate supply of Petroleum, Petroleum Products and Natural Gas, in all parts of the country and to promote competitive markets and for matters connected therewith or incidental thereto.

17.2 Petroleum and Petroleum Products Pipeline to be authorized

17.2.1 PNGRB has received Expression of Interest (EOI) from an entity for laying, building, operating or expanding Petroleum and Petroleum Products pipeline from Irugur (Coimbatore, Tamil Nadu) to Devangonthi (Bangalore Rural, Karnataka).

17.2.2 After the completion of public consultation process, PNGRB has identified the final route of Petroleum and Petroleum Products Pipeline and issued a Public Notice under the provisions of the Regulation 5(3) of the PNGRB (Authorizing Entities to Lay, Build, Operate or Expand Petroleum and Petroleum Products Pipelines) Regulations, 2010, advising the interested entities to submit their request for capacity booking in this pipeline so as to facilitate optimum sized pipeline. In response to the Public Notice, PNGRB has received request from BPCL, copy of which is available on PNGRB's website: www.pngrb.gov.in . Accordingly, the Application-cum-Bids are invited for authorization for development of Petroleum and Petroleum Products

pipeline from Irugur (Coimbatore, Tamil Nadu) near BPCL's existing terminal to Devangonthi (Bangalore Rural, Karnataka) spanning about 294 Kilometers and with a system capacity of at least 1.46 MMTPA during the entire economic life. Proposed Petroleum and Petroleum Products pipeline would pass through states of Tamil Nadu and Karnataka. The route map and other details of pipeline are enclosed as Annexure 1.

17.2.3 It is the bidder's responsibility to obtain all information related to the present Petroleum and Petroleum Products supply position and existing and future customers, if any falling along the route of the proposed Petroleum and Petroleum Products pipeline.

17.3 **JOB REQUIREMENT**

17.3.1 The successful entity for this work shall be required to lay, build, operate or expand the Petroleum and Petroleum Products pipeline to meet requirement of Petroleum and Petroleum Products falling along the route of the proposed Petroleum and Petroleum Products pipeline.

17.3.2 The successful entity for this work shall be required to lay, build, operate or expand Petroleum and Petroleum Products pipeline as mentioned above, in line with the provisions/functions specified in the PNGRB Act 2006 as well as regulations notified by the Board for such functions. The bidders are advised to carefully go through the provisions of the PNGRB Act 2006, the notified regulations and the draft regulations available in the public domain.

17.3.3 The successful entity for this work shall be required to carry out the development of Petroleum and Petroleum Products pipeline project in line with the regulations laid down by the PNGRB.

17.4 **Design of Petroleum and Petroleum Products Pipeline**

17.4.1 The design of the Petroleum and Petroleum Products pipeline shall be as per the applicable API, CCOE & OISD codes namely ASME B 31.4, OISD-141 etc. and associated facilities shall conform to relevant ANSI/API codes. However, the bidder shall provide an undertaking that relevant Regulation for Technical Standard and Specifications including Safety Standards for the Petroleum and Petroleum Products Pipelines shall be adhered to as and when notified by PNGRB.

17.4.2 For the purpose of capacity determination, the bidder is required to follow the pipeline configuration in line with the provisions of the Petroleum and Natural Gas Regulatory Board (Determining Capacity of Petroleum, Petroleum Products and Natural Gas Pipeline) Regulations, 2010 and as given in the bid document. Besides this, the bidder may consider the following:

a) For one of the possible injection at originating point in Irugur, M/s BPCL has confirmed that the available pressure at Irugur is 8.0 Kg/cm2 which has to be boosted up using main line pump already provided discharging the product at 85.0 Kg/cm2. This information may be utilized by the bidders for suitably designing the proposed pipeline.

b) Pressure of 5.0 kg/cm2 g at all delivery points including terminal point(s) shall be considered by the bidder for designing the pipeline system.

17.4.4 The proposed Irugur-Devangonthi Petroleum and Petroleum Products pipeline must be able to transport at least two grades of MS/HSD (EURO-III, EURO-IV and any other higher quality grade that may be specified or mandated to be supplied in future) and SKO. However, transportation of the petroleum and petroleum products shall be as per the Industry Quality Control Manual (IQCM).

SAMPLE

17.4.5 The design of the proposed Petroleum and Petroleum Products pipeline shall be as such that the transporter must have all relevant and adequate pipelines and storage facilities including stabilization tanks for handling the product being transported by him.

17.4.6 The bidders are allowed to deviate from the route of the pipeline including originating/termination point of the pipeline up to +/- 5% w.r.t. the indicative route mentioned in the bid document for the purpose of preparation of Feasibility Report. However, the provision of sub-regulation (3) of Regulation 13 shall be applicable.

17.5 **Financial Closure**

The entity shall be required to achieve financial closure of the project based on the numbers quoted by them in the financial bid. Failure to achieve financial closure within the stipulated period may result in the termination of the grant of authorization. The entity shall furnish all the documents as required to satisfy PNGRB that the financial closure has been achieved in line with the requirements, which shall include the following:

a) Complete Board agenda items with Annexures detailing total CAPEX, OPEX, year-wise financing plan and detailed feasibility Report (DFR).
b) Copy of all documents submitted to Financial Institutions seeking financial assistance.
c) To establish the actual date of achieving financial closure, all documents executed by the company in respect of financial assistance for the project to be provided by the lenders by way of loans, bonds, security arrangements etc.

SECTION-III: SPECIAL CONDITIONS OF BID

20.0 Bid Evaluation Criteria

20.1 Technical Evaluation Process

20.1.1 The bidder has to submit all the annexure duly filled as per format mentioned in the Application cum Bid, failing which the bidder will be liable to be technically rejected.

20.1.2 Bidder's bids will be evaluated on the basis of the information supplied by the bidders. Documentary evidence is to be submitted by the bidder for all the formats wherever it is required.

20.1.3 If the information furnished by the bidder in any of the Annexure(s) is found to be incorrect, the bid is liable to be technically rejected.

20.1.4 After opening of Technical Bid, PNGRB will examine the Application-cum-Bids to determine whether these are complete and valid in all respects as required and in

SAMPLE

conformity with 'Application-cum-Bid document' and proceed for evaluation of those bids only, which have zero deviation. The evaluation shall be carried out in line with the requirements of the Petroleum and Natural gas Regulatory Board (Authorizing Entities to Lay, Build, Operate or Expand Petroleum and Petroleum Products Pipelines) Regulations, 2010 and other relevant regulations;

20.1.5 A duly constituted Bid Evaluation Committee (BEC) will shortlist Technical Bidders on the basis of evaluation methodology as per relevant regulations. The BEC will take approval of competent authority for shortlisted bidders before opening of the financial bid.

20.1.6 PNGRB can make any enquiry / seek clarification from the bidders, which the bidders must furnish within the stipulated time else Application-cum-Bid of such defaulting bidders may likely to be rejected.

20.2 Evaluation of Financial Bids

20.2.1 The Financial Bids of only those Bidders short listed from the Technical Bids by BEC will be opened in the presence of their representatives on a specified date and time to be intimated to the respective Bidders by concerned Section/Group in PNGRB, and the same will be evaluated by a duly constituted Bid Evaluation Committee (BEC) for the purpose.

20.2.2 Summary Sheet of Feasibility Report submitted as Annexure-14 shall be opened and shared with the technically qualified bidders.

20.2.3 Bidders shall indicate their Quotes in clear/visible figures as well as in words. In case of a mismatch, the rates written in words will prevail.

20.2.4 The values quoted against the Present Value of the bid shall be derived from the year wise values quoted by the bidder and applying discounting rates as mentioned to figures quoted for each year except for the first year. In case of an arithmetic error, the year wise values quoted by the entity shall be taken as correct and present value shall be amended accordingly.

20.2.5 All Financial bids shall be tabulated and compared as per the bidding criteria specified at regulation 7 of the Petroleum and Natural Gas Regulatory Board (Authorizing Entities to Lay, Build, Operate or Expand Petroleum and Petroleum Products Pipelines) Regulations, 2010.

20.2.6 No enquiry shall be made by the bidder(s) during the course of evaluation of the Application cum Bid, after opening of bid, till final decision is conveyed to the successful bidder(s). However, the Committee/its authorized representative and officer of PNGRB can make any enquiry/seek clarification from the bidders, which the bidders must furnish within the stipulated time else bid of such defaulting bidders will be rejected.

20.2.7 Bidder with the highest composite score shall be declared as successful in the bid.

21.0 Cost of Bidding

21.1 The bidder shall bear all costs associated with the preparation, submission of the bid and travel etc. PNGRB will in no case, be responsible or liable for any costs, regardless of the outcome of the bidding process. The bidder shall undertake not to include these costs in the price being quoted in the bid.

22.0 Clarifications

22.1 A prospective bidder requiring any clarification of the Application cum Bidding Documents may notify PNGRB in writing or by fax at the information indicated in the Invitation for Bids. PNGRB will respond in writing to any request for clarification of the Bidding documents, which it receives not later than 15 days prior to the

SAMPLE

deadline for the submission of bids prescribed by PNGRB. Written copies of PNGRB's response (including an explanation of the query but without identifying the source of the query) will be sent to all prospective bidders who have received the bidding documents. Any Clarification or information required by the bidder but same not received by the PNGRB, fifteen days prior to the bid due date, the same is liable to be considered as no clarification/information required.

22.2 The PNGRB may also on its own motion, if deemed necessary, issue interpretations and clarifications to all bidders. All clarifications and interpretations issued by the PNGRB shall be deemed to be part of the Application Cum Bid Document. Verbal clarifications and information given by PNGRB or its employees or representatives shall not in any way or manner be binding on the PNGRB.

23.0 Amendment to Bidding Documents

23.1 At any time prior to the bid due date, the PNGRB may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective bidder, modify the bidding documents, by issuing addendum.

23.2 Any addendum thus issued shall be part of the Bidding Documents and shall be notified in writing by fax/post to all prospective bidders who have purchased the bidding documents. Prospective bidders shall promptly acknowledge receipt of each addendum by fax/post to the PNGRB. The addendum shall become integral part of the application cum bid document.

23.3 The PNGRB may, at its discretion, extend the bid due date in order to allow prospective bidders, a reasonable time to furnish their most competitive bid taking into account the amendments issued.

24.0 Modification and Withdrawal of Bids

24.1 The bidder may modify or withdraw his bid after the bid's submission, but prior to 24 hours before the due time and date of submission of bid provided that the written notice of the modification, including substitution or withdrawal of the bid is received by the PNGRB prior to this deadline.

24.2 No bid shall be modified after this prescribed deadline. Bid which is withdrawn by the bidder shall be returned not before the bid opening.

24.3 No bid shall be allowed to be withdrawn in the interval between the prescribed deadline for submission of bids and the expiration of the period of bid validity. Withdrawal of a bid during this interval shall result in the bidder's forfeiture of his bid bond.

24.4 The PNGRB may, at its discretion, or in line with sub clause (9) of regulation 5 of the Petroleum and Natural Gas Regulatory Board (Authorizing Entities to Lay, Build, Operate or Expand Petroleum and Petroleum Products Pipelines) Regulations, 2010, on giving reasonable notice by fax or any communication to all prospective bidders who have been issued the bid documents, extend the deadline for the submission of bids in which case all rights and obligations of the PNGRB and the bidders, previously subject to the bid due date, shall thereafter be subject to the deadline as extended. In such a case, if any bidder wishes to withdraw or modify the bid during the extended period, he may submit the modification, including substitution or withdrawal of the bid provided such modification/substitution/withdrawal is done with a notice prior to 24 hrs before the revised due date and time of bid submission. The PNGRB shall open both the bids of the bidder and shall consider the bid whose composite score is higher in line with the relevant regulations. The decision of the PNGRB shall be final.

SAMPLE

25.0 Late submission of Bids

25.1 Bids received by the PNGRB after the specified time on the Bid Due Date shall not be eligible for consideration and shall be summarily rejected.

26.0 Process to be Confidential

26.1 Information relating to the examination, clarifications, evaluation and comparison of bids and recommendations for the order, shall not be disclosed to bidders or any other person officially concerned with such process. Any effort by a bidder to influence the PNGRB in any manner in respect of bid evaluation or award will result in the rejection of that bid.

27.0 Contacting the PNGRB

27.1 From the time of the bid opening to the time of the release of order, if any bidder wishes to contact the PNGRB for any matter relating to the bid it should do so in writing.

27.2 Any effort by a bidder to influence the PNGRB in any manner in respect of bid evaluation or award will result in the rejection of that bid.

28.0 Bid Opening Process

28.1 The PNGRB shall open the Technical Bids in public in presence of bidders' representative who may choose to attend the opening. Representatives who are present shall sign a register evidencing their attendance. The bidder's representative shall furnish a letter of authority to attend the bid opening as per **Annexure 8.**

28.2 Financial bids of only those bidders, whose bids are found technically qualified, by the Bid Evaluation Committee, will be opened in the presence of the bidder's representatives subsequently for further evaluation.

28.3 Two authorized representative of each of the bidder would be permitted to be present at the time of aforementioned opening of the bids.

28.4 The PNGRB shall inform the time, date and venue for price bid opening to all such bidders who qualify pursuant to technical bid evaluation. Bidders may be required to attend financial bid opening at a short notice of 48 hours**.**

28.5 The PNGRB will open financial bids of all bidders notified to attend financial bid opening, in the presence of authorized bidders' representatives. The bidders' representatives, who are present, shall sign bid-opening register evidencing their attendance.

PROFORMA FOR PERFORMANCE BANK GUARANTEE

SAMPLE

To

Secretary,
Petroleum and Natural Gas Regulatory Board,
1st Floor, World Trade Centre,
Babar Road,
New Delhi – 110 001

In consideration of the Petroleum and Natural Gas Regulatory Board (hereinafter referred to as 'PNGRB) having agreed to grant authorization to M/s _____ of _____ (hereinafter called 'the authorized entity') to lay, built, operate, or expand Petroleum and Petroleum Products Pipeline (hereinafter called 'the service') as per Letter of Authorization No. _____ dated _____ (hereinafter called 'the said Authorization') on the terms and conditions contained in the said Authorization, which inter-alia provides for production of a Bank Guarantee to the extent of Rs._____ (in words _____) for the service by way of security for the due observance and performance of the terms and conditions of the said Authorization. We _____ (indicate the name and address and other particulars of the Bank) (hereinafter referred to as 'the Bank') at the request of the Authorized Entity hereby irrevocably and unconditionally guarantee to PNGRB that the Authorized Entity shall render all necessary and efficient services which may be required to be rendered by the Authorized Entity in connection with and / or for the performance of the said Authorized Entity and further guarantees that the service which shall be provided by the Authorized Entity under the said Authorization, shall be actually performed in accordance with the terms & conditions of the Authorization to the satisfaction of PNGRB.

2. We, the Bank, hereby undertake to pay PNGRB an amount not exceeding Rs.……..(Rupees……only) against any breach with respect to timely commissioning of the proposed Petroleum and Petroleum Products Pipeline as per prescribed targets and also meeting service obligations by the authorized entity during the operating phase of the project, including failure to extend the validity of this guarantee or to give a fresh guarantee in lieu of the existing one. The PBG is valid for a period of three years initially, which shall be extended up to the economic life of the project in a block of minimum three years at the request of bidder or PNGRB.
This guarantee is valid until the _____day of _____20…. and is payable at New Delhi.

3. We, the Bank hereby, in pursuance of the terms of the said Authorization, absolutely, irrevocably and unconditionally guarantee as primary obligor and not merely as surety the payment of an amount of Rs._____ (Rupees _____ only) to PNGRB to secure due and faithful performance by the Authorized Entity of all his/their obligations under the said Authorization.

4. We, the Bank, hereby agree that the decision of PNGRB as to whether the Authorized Entity has failed to or neglected to perform or discharge his duties and obligations under

the said authorization and / or whether the service is free from deficiencies and defects and is in accordance with or not of the terms & conditions of the said Authorization and as to the amount payable to PNGRB by the Bank hereunder shall be final and binding on the Bank.

5. WE, THE BANK, DO HEREBY DECLARE AND AGREE that:

(a) the Guarantee herein contained shall remain in full force and effect for economic life of the Petroleum and Petroleum Products Pipeline project as specified in PNGRB regulations.

(b) the PNGRB shall have the fullest liberty without our consent and without affecting in any manner our obligations hereunder to vary any of the terms and conditions of the said Authorization or to extend time of performance of any obligations by the said Authorization from time to time or to postpone for any time or from time to time any of the powers exercisable by the PNGRB against the said Authorized Entity and to forbear or to enforce any of the terms and conditions relating to the said Authorization and we shall not be relieved from our liability by reason of any variation or extension being granted to the said Authorized Entity or forbearance act or omission on the part of PNGRB or any indulgence by the Board to the said Authorized Entity or to give such matter or thing whatsoever which under the law relating to sureties would but for this provision, have effect of so relieving us.

(c) any claim which we have against the Authorized Entity shall be subject and subordinate to the prior payment and performance in full of all the obligations of us hereunder and we will not without prior written consent of PNGRB exercise any legal right or remedy of any kind in respect of any such payment or performance so long as the obligations of us hereunder remains owing and outstanding.

(d) This Guarantee shall be irrevocable and the obligations of us herein shall not be conditional of any prior notice by us or by the Authorized Entity.

6. We the BANK undertake not to revoke this Guarantee during its currency except with the previous consent of PNGRB in writing.

7. In the event of Authorized Entity being duly relieved of its obligations by the PNGRB for any reason whatsoever, the liability of the Bank under this Performance Bank Guarantee shall be discharged absolutely

8. Notwithstanding anything contained above, our liability, under the Guarantee shall be restricted to Rs..... and our Guarantee shall remain in force until....year from the date hereof. Unless a demand or claim under this Guarantee is made on us in writing within this date i.e. .... all your rights under the Guarantee shall be forfeited and we shall be released and discharged from all liabilities there under.
